SIR,

I am directed to state that recently there has been an unfortunat increase of arrears of civil work in the Mysore District Court. By the end of June 1940 there were pending 32 O.S. (15 over a year old), 170 R.A. (111 more than 6 months old), 50 Mis.A. (37 more than 6 months old) 67 Ex. Cases (32 over a year old) and 224 Mis. Cases (113 over 6 months old).

On 22nd July 1940 the District Judge reported that 142 of the Miscellaneous Cases on his file were Land Acquisition Cases, nearly 20 of them being more than 2 years old. With his heavy sessions and other work it is not likely that the District Judge will be able to dispose of these Land Acquisition Cases for a considerable time.

In similar circumstances the Additional Judge of the Subordinate Judge's Court at Bangalore was empowered to deal with Land Acquisition Cases on the file of the District Court of Bangalore. (Please see Government Notification No. P. 6764/Cts. 106-38-12, dated 29th June 1939. The Judges of the High Court are of opinion that it is desirable to make a similar arrangement in Mysore by appointing the Additional Subordinate Judge of Mysore as Special Judicial Officer to perform throughout the local limits of the jurisdiction of the District Court of Mysore the functions of the Court in respect of all cases under the Land Acquisition Act. The District Judge will then be able to send to him for disposal

the Land Acquisition Cases now pending in the District Court. It is proposed to give the work to the Additional Subordinate Judge of Mysore, not to the Subordinate Judge of Mysore, because the latter officer has at present much the heavier work. I am to request that the Government may be pleased to issue orders in the matter as early as possible.

I have the honour to be,

Sir,

Your most obedient servant,

J. Lawrence
